The designated tier for each Royalty Country is set out in Appendix B, as may be amended from time to time in accordance with Clause 25.

3.1A In the event that a transaction contemplated by this Clause 3 is not conducted on an arm's length basis, then for the purposes of calculating such royalties for such a transaction, the Net Sales Value shall be deemed to be what it would have been had the transaction been conducted on an arm's length basis (irrespective of the actual Net Sales Value for that transaction).

3.2 Royalty payments shall be paid to Licensor on a Product-by-Product and country-by-country basis starting on the date of first sale of a Product in the relevant Royalty Country and continuing until the expiration of the last-to-expire patent containing a valid claim covering the manufacture, use, import, offer for sale or sale of DTG Compound and/or the Product in such country. The Licensor shall provide the Licensee the Royalty Countries Payment Guidance.

3.3 For the purpose of calculating the Net Sales Value of Licensed Combination Products, if the Licensee sells Licensed Combination Products in a particular Royalty Country, the Net Sales Value of such Licensed Combination Product in such country for the purpose of determining the royalty due to Licensor will be calculated by multiplying actual Net Sales Value by a value calculated as follows:

3.3.1 the fraction $A/(A+B)$, where A is the mean average invoice price invoiced by the Licensee in the relevant Agreement Quarter in respect of Licensed Mono Product if sold in such country in the relevant Agreement Quarter, and B is the total invoice price of products containing the other active pharmaceutical ingredient(s) (calculated as a mean average in relation to each such other active pharmaceutical ingredient product(s) in the relevant Agreement Quarter) in the combination if sold separately by the Licensee in such country;

3.3.2 if, on a country-by-country basis, and Agreement Quarter-by-Agreement Quarter basis, such other active pharmaceutical ingredient or ingredients in the Licensed Combination Product are not sold separately in such country in the relevant Agreement Quarter by the Licensee, but the Licensed Mono Product is sold separately in such country in the relevant Agreement Quarter by the Licensee, the Net Sales Value for the purpose of determining

royalties due to Licensor for the Licensed Combination Product will be calculated by multiplying the actual Net Sales Value of such Licensed Combination Product by the fraction A/C , where A is the mean average invoice price invoiced by the Licensee in the relevant Agreement Quarter in respect of Licensed Mono Product if sold in such country in the relevant Agreement Quarter, and C is the mean average invoice price of the Licensed Combination Product invoiced by the Licensee in the relevant Agreement Quarter; or

- 3.3.3 if, on a country-by-country basis, and Agreement Quarter-by-Agreement Quarter basis, Licensed Mono Product is not sold by the Licensee in such country, the Net Sales Value for the purposes of determining royalties due to Licensor for the Licensed Combination Product will be $D/(D+E)$, where D is the fair market value of the portion of the Licensed Combination Products that contains the DTG Compound, and E is the fair market value of the portion of the Licensed Combination Product containing the other active pharmaceutical ingredient(s) or delivery device included in such Licensed Combination Product, as such fair market values are provided (where applicable) in a statement by the Licensor on an annual basis and based on the average generic cost of the components of the Products.
- 3.4 When providing the information specified in Clause 11.2, the Licensee shall also provide to Licensor (or its nominee) its calculation of royalties payable to Licensor pursuant to this Clause 3 in relation to the relevant Agreement Quarter.
- 3.5 The Licensee shall, on or before the sixtieth calendar day following the end of each Agreement Quarter, pay to ViiV (or to such other person as ViiV may nominate in writing) in US dollars, by way of telegraphic transfer to such bank account as Licensor shall nominate, an amount equal to the royalties payable pursuant to this Agreement for the immediately preceding Agreement Quarter. All foreign currencies shall be converted into US dollars at the exchange rate published in the Financial Times in London on the last Business Day of the relevant Agreement Quarter.
- 3.6 In the event of any delay in the Licensee paying to ViiV any sum due under this Clause 3 on the relevant due date, the Licensee shall pay to ViiV interest (calculated on a daily basis) on the overdue payment from the date such payment was overdue to the date of actual payment at the annual rate of 2% above the Bank of England base rate as reported by The Financial Times (London edition) on the due date of payment (or on the next Business Day if the due date is not a Business Day), on a daily basis using a three hundred and sixty-five (365) day year and such annual rate, compounded monthly.
- 3.7 If an inspection pursuant to Clause 11 reveals an underpayment by Licensee, Licensee shall promptly, and in any event within 60 days of the determination of such shortfall, pay to ViiV the amount of such shortfall (including any interest payable pursuant to Clause 3.6 hereof) together with all costs incurred by ViiV and/or Licensor in carrying out the inspection.
- 3.8 All amounts payable pursuant to this Agreement shall be made subject to withholding or deduction of, or in respect of, any tax, levy, impost, duty, charge or fee, as required by law. If any such withholding or deduction is required by law, the Licensee shall, when making the payment to which the withholding or deduction relates, pay to ViiV (or to such other person as ViiV may nominate in writing) the net amount and provide a certificate equivalent to the amount withheld.

4 DEVELOPMENT AND REGISTRATION

- 4.1 As of the Effective Date and subject always to ViiV's retained rights to the Patents and Non-Territory Patents (and that of its licensees), the Licensee shall have full control, responsibility (financial and otherwise) and authority over development, registration, importation, manufacture and commercialisation of the Products to be sold or supplied by the Licensee in the Territory under this Agreement.
- 4.2 Licensee agrees that it will manufacture Raw Materials and Product in a manner consistent with (i) WHO pre-qualification standards; or (ii) the standards of any Stringent Regulatory Authority. Where such approvals are not yet available, the Licensee will obtain temporary approval through a WHO Expert Review Panel, as appropriate and if applicable.
- 4.3 The Licensee will:
- 4.3.1 obtain from the relevant authorities in the Territory and maintain in force, as appropriate, all health registrations, permissions, consents and regulatory authorisations relating to the importation, manufacture and sale of the Products which are necessary to enable the Products to be sold or supplied in the Territory in accordance with this Agreement. Licensee shall file for regulatory approval before at least one Relevant Regulatory Authority (including, but not limited to the WHO pre-qualification programme) not later than 30 months from the Effective Date in respect to the DTG Compound and not later than 36 months from the Effective Date in respect to at least one of the Products. Licensee shall also, upon Licensor's reasonable request, file for regulatory approval before the Relevant Regulatory Authority for any subsequent Products within a reasonable time.
 - 4.3.2 Not sell or otherwise supply Products in a country of the Territory prior to (a) approvals from Relevant Regulatory Authority in that country, unless the sale or supply is made pursuant to Import Waiver; and (b) WHO pre-qualification programme or Stringent Regulatory Authority approval, or through any provisional authorizations available through WHO or a Stringent Regulatory Authority.
 - 4.3.3 If the Licensee sells, supplies or otherwise disposes of any Product in the Territory but has not obtained the necessary approvals pursuant to Clauses 4.2 and 4.3, the Licensor shall be entitled to immediately terminate this Agreement by providing written notice to the Licensee.
- 4.4 Within ten (10) Business Days following the end of each Agreement Quarter, the Licensee shall provide the Licensor with a quarterly written report on the status of development of the Compound and any regulatory filing regarding the Products in relation to that Agreement Quarter. Such reporting shall be made in accordance with the Reporting Guidance issued by the Licensor and should cover (a) Products in its development pipeline, (b) status of development of each Product in development, (c) regulatory filing plan for each Product, and (d) a list of countries for which such regulatory approvals or authorizations have been filed and/or obtained for any Product. The Parties agree to confer on a quarterly basis regarding such reports and also review development and filing status of Products. For avoidance of doubt, ViiV and the Licensor agree that information contained in quarterly and other such reports shall be treated as Confidential Information.
- 4.5 The Licensee will manufacture and sell the Products in accordance with all laws and regulations relevant to the manufacture and sale of the Products and in accordance with good industry practice.
- 4.6 Prior to engaging in any Development Activity, Licensee shall:

- 4.6.1 provide Licensor and ViiV with not less than one (1) month written notice of its intention to carry out such Development Activity;
- 4.6.2 meet with the Licensor and/or ViiV at such times and with such frequency as is reasonably requested by them to discuss the proposed activity;
- 4.6.3 ensure that the Products provided for any Third-Party clinical studies have obtained Stringent Regulatory Authority approval; and
- 4.6.4 comply with the Licensor's and ViiV's reasonable requests in relation to the design and conduct of such Development Activity.

4A SELECTIVE WAIVER LETTERS

4A.1 The Parties acknowledge that, in order for the Licensee to be able to supply a Product to applicable countries in the Territory under the United States President's Emergency Plan for AIDS Relief ("PEPFAR"), it may be necessary for the Licensee to obtain tentative approval for that Product from the FDA under section 505(b)(2) or 505(j) of the U.S. Food, Drugs and Cosmetics Act (the "Act").

4A.2 In the event that the Licensee wishes to obtain tentative approval from the FDA for a Product in circumstances where:

- (i) the purpose of obtaining such tentative approval from the FDA is solely to enable the Licensee to supply that Product to countries in the Territory under PEPFAR;
- (ii) the FDA's tentative approval is sought in respect of a Relevant ANDA or Relevant NDA (as applicable);
- (iii) the NCE Exclusivity Period has not expired; and
- (iv) the Licensee has complied with, and continues to comply with, the requirements of this Clause 4A,

the Licensor shall, following a written request to do so from the Licensee, procure that ViiV submits to the FDA a Selective Waiver Letter in respect of the Licensee's Relevant ANDA or Relevant NDA (as applicable). The Licensee shall provide to the Licensor such information in respect of its Relevant ANDA or Relevant NDA as the Licensor or ViiV may reasonably require in connection with the preparation of such a Selective Waiver Letter and/or in order to assess the Licensee's compliance with the requirements of this Clause 4A.

4A.3 For the avoidance of doubt, each of the Licensor and the Licensee acknowledge that:

- (i) the form and content of any Selective Waiver Letter shall be determined by ViiV in its sole discretion, provided that the form and content of such Selective Waiver Letter is consistent with the terms of this Clause 4A;
- (ii) any Selective Waiver Letter will be submitted by ViiV to the FDA and a copy provided to the Licensor following submission; and
- (iii) ViiV shall remain entitled at any time to revoke a Selective Waiver Letter and/or any consent or waiver contained therein if the Licensee fails to comply with any of the

requirements of this Clause 4A and/or if the Licensee submits a Paragraph IV Certification in relation to any Relevant ANDA or Relevant NDA.

The Licensor shall, on request, provide the Licensee with a copy of any Selective Waiver Letter in respect of the Licensee's Relevant ANDA or Relevant NDA following receipt by the Licensor of a copy of such Selective Waiver Letter.

4A.4 The Licensee undertakes, in respect of any Relevant ANDA or Relevant NDA for which a Selective Waiver Letter is requested, to:

- (i) identify TIVICAY® NDA 204790 as the or a (as applicable) "listed drug" (as that term is used and defined in section 505 of the Act and related regulations) in such Relevant ANDA or Relevant NDA;
- (ii) include with Relevant ANDA or Relevant NDA (as applicable) a Paragraph III Certification in respect of each Listed Patent; and
- (iii) maintain that Paragraph III Certification until the expiration of the period described in sections 505(c)(3)(E)(ii) and 505(j)(5)(F)(ii) of the Act, as extended by any applicable paediatric exclusivity describe in section 505A(c)(1)(A)(i)(I) of the Act; and
- (iv) submit any Relevant ANDA or Relevant NDA (as applicable) within 90 days of the date of the Selective Waiver Letter.

4A.5 Nothing in this Agreement or any Selective Waiver Letter that may be issued by ViiV pursuant to this Clause 4A shall:

- (i) be read, interpreted or otherwise considered to be a waiver of any other rights which extend to ViiV under section 505 of the Act, including (without limitation) the right to receive notice of any Paragraph IV Certification, to bring suit within 45 days of receiving such a notice and, to prevent the approval of an application during the applicable periods set forth in sections 505(c)(3)(E)(ii) and 505(j)(5)(F)(ii) of the Act, as extended by any applicable paediatric exclusivity described in section 505A(c)(1)(A)(i)(I) of the Act (the Licensee acknowledges that nothing in this Agreement or any Selective Waiver Letter shall relieve the Licensee of any obligations in respect of a Paragraph IV Certification that may be imposed by the Act); or
- (ii) authorise the Licensee to obtain final approval for a Relevant ANDA or Relevant NDA prior the expiration of the NCE Exclusivity Period and any other applicable periods set forth in sections 505(c)(3)(E)(ii) and 505(j)(5)(F)(ii) of the Act, as extended by any applicable paediatric exclusivity described in section 505A(c)(1)(A)(i)(I) of the Act; or
- (iii) authorise the Licensee to do (or permit any Third Party to do) anything that infringes a Non-Territory Patent or Listed Patent.

4A.6 The provisions of this Clause 4A apply solely in respect of a Relevant ANDA or Relevant NDA submitted by the Licensee for the purposes specified in Clause 4A.1 and, for the avoidance of doubt and without limitation, the provisions of this Clause 4A do not apply in respect of:

- (i) any Abbreviated New Drug Application or New Drug Application submitted to the FDA:
 - (a) that is not, in respect of the Product concerned, a First US Application; and/or

- (b) in connection with which the Licensee submits a Paragraph IV Certification; or
- (ii) any application for a marketing authorisation or equivalent licence in respect of any product (including any Product) in any country other than the United States.

4A.7 In the event of breach by the Licensee of this Clause 4A, the Licensor shall have the right to immediately terminate this Agreement, without notice and with immediate effect.

5 SUPPLY, DISTRIBUTION AND LABELLING

5.1 The Licensee shall be solely responsible for providing its own clinical, promotional and commercial infrastructure to support the manufacture and sale of the Products in the Territory. The Licensee agrees, where applicable and to the extent that it is able: (a) to not seek; and (b) to waive, regulatory exclusivity in the Territory in relation to any data relating to the Products.

5.2 The Licensee shall be solely responsible for the distribution in the Territory of all Products to be sold in the Territory under this Agreement.

6 EXCHANGE OF INFORMATION AND CONFIDENTIALITY

6.1 During the term of this Agreement and for five years thereafter, the Parties shall not, use, reveal or disclose to any Third Party, or to any of its Affiliates, save for those of its Affiliates who need to know such information to exercise the Party's rights under this Agreement, any Confidential Information received from the other Party or ViiV and/or any of their Affiliates or otherwise developed by any party in the performance of activities in furtherance of this Agreement, except as may be otherwise provided herein or as may be required for the purposes of securing essential authorisations in respect of the performance of this Agreement from governmental agencies in the Territory, or as may be required to be disclosed under law or regulation in the Territory. This confidentiality obligation shall not apply to such information which:

- (a) the receiving party can prove, by written records and to the reasonable satisfaction of the disclosing party, is or has become a matter of public knowledge other than through any breach by or at the instigation of the receiving party, or any of its Affiliates, of this Agreement;
- (b) is already legitimately in the possession of the receiving party;
- (c) is disclosed to the receiving party by a Third Party (other than the disclosing party or ViiV and/or its Affiliates) having the right to do so;
- (d) is subsequently and independently developed by employees of the receiving party or its Affiliates who had no knowledge of the Confidential Information disclosed;
- (e) in the case of the Licensor, is required to be disclosed to ViiV under the terms of the Licensor's agreement with ViiV; or
- (f) a Party is required by law to disclose, provided that the disclosing Party is promptly notified of any such requirement, and the receiving Party otherwise complies with the provisions of this Clause 6.

6.2 The Parties shall ensure that no unauthorised use or disclosure is made by others to whom access to such Confidential Information is granted, by binding such persons on like terms to this Agreement which are enforceable by each of the Licensor and ViiV.

- 6.3 If a receiving Party becomes obligated by law to disclose Confidential Information received under or in connection with this Agreement, or any portion thereof, to any Third Party, governmental authority or court, that Party shall immediately notify the disclosing Party of each such requirement and identify the Confidential Information to be disclosed so that such disclosing Party (or ViiV or its Affiliates where the Confidential Information relates to or belongs to ViiV or its Affiliates) may seek an appropriate protective order or other remedy with respect to narrowing the scope of such requirement and, to the extent necessary, waive the receiving Party's compliance with the confidentiality obligations of this Agreement.
- 6.4 The Parties acknowledge that disclosure of any Confidential Information in breach of this Agreement could give rise to irreparable injury to the non-breaching Party and that such injury will not be adequately compensated by damages. Accordingly, the non-breaching Party, and ViiV and its Affiliates where the non-breaching Party is the Licensor, shall be entitled to seek the remedies of specific performance and injunctive relief or other equitable relief for any threatened or actual breach of this Clause 6. Such relief shall be in addition to all other remedies available to the non-breaching Party at law or in equity.
- 6.5 All Confidential Information shall remain the property of the disclosing party. In the event that a court or other legal or administrative tribunal of competent jurisdiction, directly or through an appointed master, trustee or receiver, assumes partial or complete control over the assets of a party to this Agreement, based on the insolvency or bankruptcy of such party (or based on any other analogous or similar status of that party under foreign laws), the bankrupt or insolvent party shall promptly notify the court or other tribunal:
- (a) that Confidential Information remains the property of the disclosing party; and
 - (b) of the confidentiality obligations under this Agreement.
- 6.6 In addition, the bankrupt or insolvent party shall, to the extent permitted by law, take all steps necessary or desirable to maintain the confidentiality of such Confidential Information and to ensure that the court, other tribunal or appointee maintains such information in confidence in accordance with the terms of this Agreement.
- 6.7 Prior to submitting for written or oral publication any manuscript, abstract or the like which includes data or other information generated and provided under the terms of, or in relation to, this Agreement or relating to Products, the Licensee shall provide a copy of such Publication to ViiV and shall take into account ViiV's reasonable comments in connection therewith.
- 6.8 Nothing in this Agreement shall be construed as preventing or in any way inhibiting the Licensee from complying with statutory and regulatory requirements relating to, or arising out of, its rights under this Agreement.

7 ADVERSE EXPERIENCE REPORTING

- 7.1 The responsibilities of the Parties for reporting of Human Safety Information related to the Products to regulatory authorities in the Territory shall be performed in accordance with local laws and regulations. The responsibilities of the Parties for safety related or Product related inquiries shall be performed in accordance with local laws and regulations.
- 7.2 Without prejudice to Clause 7.1:
- 7.2.1 Licensee undertakes that it will maintain until the termination of this Agreement (or, as applicable, until the rights and obligations intended to survive termination of this Agreement have been fulfilled) pharmacovigilance and risk management systems,

procedures and documentation needed to perform and comply with its regulatory obligations and its related obligations under this Agreement.

- 7.2.2 Licensee undertakes that it will ensure that it will comply with all applicable laws and regulations regarding the Products in the Territory including without limitation those laws and regulations relating to risk management, drug safety and pharmacovigilance. This includes but is not limited to collating Human Safety Information, expedited and periodic reporting to Relevant Regulatory Authorities, literature review, performing safety evaluation and signal detection on all available Human Safety Information.

- 7.2.5 Licensee shall provide Licensor and ViiV with a report containing information regarding AEs and Pregnancy Reports which are associated with the Products and which have been received by Licensee, from both spontaneous or solicited reporting and clinical trial sources. Such report shall be provided every six (6) months within ten (10) Business Days after the end of the Agreement Quarters ending 30 June and 31 December and otherwise on reasonable request by the Licensor and/or ViiV.
- 7.2.6 Licensee shall notify the Licensor and ViiV forthwith of the receipt of an enquiry from a regulatory authority in the Territory relating to the Product that concerns any safety issue. If Licensee becomes aware of action that may or will be or has been taken by a regulatory authority for a safety reason connected with the Product, it shall immediately and in any event no later than twenty-four (24) hours after receiving such notice from a regulatory authority notify Licensor and ViiV in writing (including, but not limited to email communications) with available details regarding the same.
- 7.2.7 On conclusion of any clinical research relating to the Products, Licensee undertakes to submit to Licensor and ViiV copies of the clinical trial reports generated by or on behalf of Licensee relating to such clinical research.

The Licensee shall, when contacted by the Licensor regarding such monitoring, promptly provide any requested relevant information, and will promptly take corrective actions in relation to any identified non-compliance with this Clause 7.

8 NON-DIVERSION

- 8.1 Save as provided under this Agreement, and to the extent that such restrictions comply with applicable law, the Licensee shall not, directly or indirectly, sell or supply:

- (a) Products or Raw Materials outside the Territory where there is a Non-Territory Patent, for the duration of the relevant Non-Territory Patent;
- (b) Raw Materials to any Third Party in the Territory that the Licensee knows, believes or ought reasonably to suspect will sell or supply Raw Materials other than in the Territory where there is a Non-Territory Patent, for the duration of the relevant Non-Territory Patent;
- (c) Products to any Third Party in the Territory that the Licensee knows, believes or ought reasonably to suspect will sell or supply Products outside the Territory where there is a Non-Territory Patent, for the duration of the relevant Non-Territory Patent; and/or
- (d) Products to the Private Market in the Royalty Countries, or to any Third Party that the Licensee knows, believes or ought reasonably to suspect will sell or supply Products to:
 - i. the Private Market in the Royalty Countries; and/or
 - ii. any Third Party where the Products will be administered to any patient other than Adult Patients in the Territory, unless such sale or supply is performed in compliance with separate written agreement(s) that the Licensee may have with Licensor and/or ViiV.

- 8.2 The Licensee shall ensure that packaging (whether external, intermediate or internal), data sheets and promotional materials for the Products to be sold or otherwise supplied by the Licensee under this Agreement shall, unless inclusion of such statement is prohibited by applicable law, national procurement policy or the Relevant Regulatory Authority, carry clear statements in bold type that:

- (a) the Products have been produced under a licence from the Medicines Patent Pool (and, where appropriate, ViiV Healthcare);
- (b) the Products are not authorised for supply to the Private Market (except for Vietnam and the Philippines, as set out in Clause 1.37), provided however that this obligation shall only apply in relation to a Product in Royalty Countries with Jurisdiction-Specific Packaging; and
- (c) any other use is not authorised.

Where inclusion of any of these statements is prohibited, the Licensee shall inform the Licensor of the prohibition and provide appropriate supporting evidence in order to seek a waiver.

These obligations are further elaborated in the Trade Dress Guidance.

- 8.3 The Licensee agrees that the Products sold pursuant to this Agreement will be visually differentiated from Products sold by ViiV in a manner further elaborated under the Trade Dress Guidance. Licensee will submit samples of the Products to ViiV (to such address and marked for the attention of such person as identified in the Trade Dress Guidance) for the Licensor's and ViiV's approval once trial batches are manufactured, and agrees not to manufacture exhibit batches of Products or to sell Products pursuant to this Agreement until the Licensor and ViiV have approved the colour and shape of the trial batches, such approval will not be unreasonably withheld, delayed or conditioned. Once Licensor and ViiV have approved the colour and shape of the trial batches (i) the Licensor agrees not to make any additional requests for differentiation (except as provided in Clause 8.4 below), and (ii) the Licensee agrees only to sell Products that conform to the colour and shape of the trial batch approved by the Licensor and ViiV pursuant to this clause 8.3.
- 8.4A For the avoidance of any doubt, any Product, packaging (whether external, intermediate or internal), data sheets and promotional materials for the Products approved by the Licensor and ViiV before the Effective Amendment Date will be considered as already approved, and ViiV and Licensor will not request the Licensee to make any additional changes except as provided in Clause 8.4 below.
- 8.4 Without prejudice to Clause 8.3, Licensee agrees to comply with such additional requirements for differentiation of the packaging of Products as ViiV may request and agrees to use its reasonable endeavours to ensure timely registration of the variation with all Relevant Regulatory Authorities as they may require, provided that:
- 8.4.1 ViiV shall only be entitled to request such additional differentiation once during the Term of this Agreement;
- 8.4.2 ViiV shall not request such additional differentiation earlier than the third (3rd) anniversary of the Effective Date of this Agreement; and
- 8.4.3 Licensee may continue to sell the Products of the original packaging:
- 8.4.3.1 in all countries in the relevant Territory until the total number of countries which have approved the revised packaging when added to the number of countries for which such approval is not required equates to ten (10) countries (unless the Licensee can demonstrate to the reasonable satisfaction of the Licensor and ViiV that the volume requirements in those 10 countries do not equate to one batch of Products (the "**Volume Threshold**"), in which case Licensee shall not be obliged to sell the newly differentiated Product until such additional approvals as are necessary to meet the Volume Threshold are obtained); and
- 8.4.3.2 thereafter on a country-by-country basis until such time as the variation for the differentiated packaging is approved for sale in that country.

- 8.5 The Licensee shall give written notice, prior to any sale of Products, to any Third Party to which it sells Products of the restrictions contained in this Clause 8 and the Licensee shall use its best endeavours, without prejudice to any other provision of this Agreement, to ensure that such Third Parties will undertake to abide by the restrictions contained in this Clause 8 and will assist the Licensor and ViiV in securing compliance with this Clause 8 and the restrictions which it contemplates.

9 INTELLECTUAL PROPERTY

- 9.1 If at any time during the term of this Agreement the Licensee (or any of its employees, agents, or other persons acting under its authority) makes, develops, conceives, acquires, reduces to practice, becomes entitled to or secures control over any Improvement it shall communicate such Improvement to Licensor and ViiV in full together with all available information concerning the mode of working and using the same. Licensor and ViiV shall treat this information as Confidential Information.
- 9.2 Licensee hereby grants to Licensor and ViiV a perpetual, irrevocable, worldwide, royalty free, non-exclusive licence to use any Improvement, Improvement Patent and related know-how (and shall promptly execute such document as ViiV may reasonably request accordingly). Licensor shall not sub-license such rights to any Third Party, provided, however, that should Licensor desire to sub-license any such rights, Licensee and Licensor agree to enter in good-faith negotiations regarding such sub-licence. ViiV shall be entitled to grant sub-licences (without further right to sub-licence) under such licence only to its:
- 9.2.1 Affiliates; and/or
- 9.2.2 contract manufacturers, distributors and service providers solely for use in connection with their engagement of commercialising ViiV products.
- 9.3 The Licensee shall have no rights in relation to the conduct of any matter relating to the Patents or Non-Territory Patents, including the filing, prosecution and maintenance thereof.
- 9.4 If any suit or claim by a Third Party is instituted against the Licensor or the Licensee for patent infringement involving the Products and/or the Raw Materials, the party sued shall promptly notify the Licensor and ViiV in writing. ViiV shall have the right, but not the obligation, to defend or to conduct the defence of such suit or claim at its own expense. The Licensee shall assist ViiV and co-operate in any such litigation at ViiV's request and expense.
- 9.5 ViiV (and in no circumstances the Licensee) shall be entitled to bring infringement action at its own expense. To the extent ViiV decides not to bring any such infringement action, ViiV shall not be liable to the Licensee in any respect for such decision. The Licensee shall assist ViiV and co-operate in any such litigation at ViiV's request without expense to the Licensee.

10 TRADE MARKS AND NON-PROPRIETARY NAMES

- 10.1 Subject always to Clauses 10.2 and 10.3, the Licensee, at its expense, shall be responsible for the selection, registration and maintenance of all trade marks which it employs in connection with the Products to be sold by the Licensee in the Territory under this Agreement and shall own and control such trade marks. Nothing in this Agreement shall be construed as a grant of rights, by licence or otherwise, to the Licensor to use such trade marks for any purpose. Further, nothing in this Agreement shall be construed as a grant of rights, by licence or otherwise, to the Licensee to use the trade marks owned by the Licensor, ViiV, and/or any of their Affiliates anywhere in the world for any purpose.

- 10.2 The Licensee shall not use or seek to register (or, where it is possible to do so, apply to use or register) any trade or service mark, trade dress (where applicable), symbol or device in relation to any Products or any of their packaging (whether external, intermediate or internal) or promotional material which incorporates or is identical or confusingly similar to any trade or service mark, trade dress, symbol or device used by the Licensor, ViiV and/or any of their Affiliates anywhere in the world. If the Licensor and/or ViiV become aware that the Licensee is in breach of this clause 10.2, the Licensee shall immediately stop any such use and withdraw any such trade mark application and/or registration upon request by the Licensor and/or ViiV. This clause shall be without prejudice to any legal rights the Licensee may have in relation to the use of a trade or service mark, trade dress, symbol or device which is identical or confusingly similar to any trade or service mark, trade dress, symbol or device used by the Licensor, ViiV and/or any of their Affiliates anywhere in the world where that use by the Licensee pre-dates the rights of the Licensor, ViiV and/or any of their Affiliates.
- 10.3 The Licensee shall obtain the prior written approval, such approval not to be unreasonably withheld or conditioned, of the Licensor and ViiV for all trade or service marks, trade dress (where applicable), symbols or devices which the Licensee proposes to use in relation to the Products or any of their packaging (whether external, intermediate or internal) or promotional material before seeking to register any such trade marks, before offering to sell, selling or otherwise disposing of any Products, and before applying for government or relevant regulatory authorisation to do so. The Licensor and ViiV shall respond to any request for approval from the Licensee within 30 days of receipt by ViiV (from the Licensor) of all the relevant documentation necessary to consider the Licensee's request, with an approval or a written statement of why the request is not being approved by ViiV. For the avoidance of doubt, the Trade Dress Guidance does not limit in any way the Licensor and/or ViiV's right to refuse to provide approval under this Clause 10.3, and the basis of ViiV's refusal to provide approval under this Clause 10.3 shall not be limited to breaches of Clause 10.2.
- 10.4 For the avoidance of doubt, any approval provided by the Licensor and/or ViiV under Clause 10.3 is not to be interpreted as acquiescence by the Licensor and/or ViiV that any packaging and/or labelling complies with any local legal or regulatory requirements, which remains the Licensee's responsibility.

11 STATEMENTS AND REMITTANCES

- 11.1 At all times the Licensee shall keep, and shall require its Affiliates and any Third Party manufacturers and Third Parties making sales on its behalf, to keep, complete and accurate records for the previous two years (or for the period from the Effective Date to the then current date if such period is less than two years) of all quantities of Raw Materials and Products manufactured and/or sold under the licences granted by this Agreement, together with that information contemplated by Clause 11.2 and such information of the type and in sufficient detail to determine the calculation of royalties payable under this Agreement. The Licensor and ViiV shall each have the right (and the Licensee shall procure such right), at its expense, through a certified public accountant or like person appointed by it, to examine such records during regular business hours during the term of this Agreement and for six months after its termination or expiry; provided, however, that such examination shall not take place more often than twice in any calendar year and shall not cover such records for more than the preceding two calendar years and provided further that such accountant or like person shall report to ViiV only as to:
- (a) the accuracy of the manufacturing, sales and royalty statements of the Licensee (and/or its Affiliates and/or its Third Party manufacturers contemplated by this Agreement) in relation to such manufacture and sales;
 - (b) the appropriateness of quantities of Raw Materials and Products imported or manufactured pursuant to this Agreement by reference to what quantities of Raw Materials and Products

would reasonably be required to meet demand for actual sales made and sales forecasted by the Licensee;

- (c) verification that all sales and other supplies of Products and Raw Materials made by the Licensee have been made (i) in the Territory, except for Products and Raw Materials made outside the Territory as expressly provided for in this Agreement and (ii) otherwise in accordance with Clause 8; and
- (d) verification that all sales and other supplies of Products and Raw Materials made by Third Party manufacturers contemplated by this Agreement have been made to the Licensee in accordance with this Agreement.

11.2 Within ten (10) Business Days following the end of each Agreement Quarter, the Licensee shall provide the Licensor with a quarterly written report of all Products (in terms of smallest units and patient packs for each formulation) sold or supplied by the Licensee under this Agreement during such Agreement Quarter. Such accounting shall be made in accordance with the Reporting Guidance issued by the Licensor and show smallest unit, pack size, gross sales and Net Sales Value in US Dollars on a Product-by-Product, country-by-country, month-by-month and purchaser-by-purchaser basis. Such a statement shall include copies of the relevant Public Market procurement documentation in relation to which Approved Public Market Procurement the relevant Products were supplied.

12 SANCTIONS

12.1 The Parties acknowledge that a number of organisations and countries including the United Nations, the United States, the United Kingdom and the European Union have adopted sanctions legislation relating to the Territory and/or entities and individuals which or who are resident or operate in the Territory and that such sanctions are varied or amended from time to time.

12.2 The Licensee represents and warrants to Licensor and ViiV that (a) neither the Licensee nor, to the knowledge of the Licensee, any Affiliate, director, officer, employee of the Licensee, is a Sanctions Target, or (b) that it has obtained a licence or other authorisation from OFAC and/or any other relevant Sanctions Authorities in relation to such an entity which is a Sanctions Target.

12.3 The Licensee represents and covenants that, prior to, directly or indirectly:

- (a) making the Patents or any Product available to, or contracting for Product manufacture with any Sanctions Target; or
- (b) making the Patents or any Product available to a country or territory that is the target of country-wide or territory-wide Sanctions;

it has obtained or will obtain a license or other authorization, either directly or through MPPF, from OFAC and/or any other relevant Sanctions Authorities.

12.4 If Licensee intends to make any distribution, sale, use, supply, import or export, of the Product in connection with this Agreement directly or indirectly to or within any country or territory which is or becomes, or whose government is or becomes, subject to comprehensive sanctions by the US, EU, UK or other country with jurisdiction over activities undertaken in connection with this Agreement, such as, currently, Cuba, Iran, North Korea, Syria, Venezuela, Crimea, the so-called Luhansk People's Republic, the so-called Donetsk People's Republic, and any territory within Kherson and Zaporizhzhia that are not under the control of the Ukrainian

government, Licensee will consult with the Licensor and ViiV in advance and confirm to the Licensor and ViiV that it has the necessary licences or other authorisations, which includes but is not limited to specific licences and general licences, so that the Licensor and ViiV are not caused to violate or otherwise become exposed to penalties or other retaliatory measures under Sanctions. If the Licensor and ViiV are not satisfied that the Licensee has or will obtain the necessary licences or other authorisations in respect of these activities, the Licensee shall not proceed with such activities.

- 12.5 Notwithstanding the requirements of section 12.4, nothing in this Agreement shall be construed to prevent the Licensee from benefiting from an exemption or general license for activities that would otherwise be sanctioned by US, EU and UK or other country with jurisdiction over activities undertaken in connection with this Agreement. This includes exemptions or general licenses authorising the distribution, sale, use, supply, import or export of the Product for humanitarian assistance. To the extent that such activities benefit from an exemption or general license, the Licensee shall only be required to notify the Licensor pursuant to the requirements of section 11.2 of this Agreement.
- 12.6 The Licensee represents and warrants to Licensor and ViiV that it will not develop and manufacture the Product in any of the following sanctioned countries and territories: Cuba, Iran, North Korea, Syria, Venezuela, Crimea, the so-called Luhansk People's Republic and the so-called Donetsk People's Republic and any territory within Kherson and Zaporizhzhia that are not under the control of the Ukrainian Government, or such other countries or territories that become or whose government becomes comprehensively sanctioned by the US, EU, UK or other country with jurisdiction over activities undertaken in connection with this Agreement.
- 12.7 In the event that performance of this Agreement by either Party or the Head Licence would (or might) in the reasonable opinion of the Licensor and/or ViiV breach any Sanctions, any applicable export control regime or other similar applicable laws of any jurisdiction (whether or not such Sanctions, controls or laws were in existence at the date of this Agreement and whether or not there have been any other changes in circumstance from those that existed at the date of this Agreement), the Licensor shall be entitled to suspend the operation of such provisions of the Agreement (including any payment or supply provisions) which require or permit performance by either or both parties where, in the reasonable opinion of the Licensor and/or ViiV, such performance would result in a breach of any such Sanctions, controls or laws until, in the reasonable discretion of ViiV and Licensor, such time as all necessary approvals or licences have been or will be obtained to enable the Agreement to continue in a lawful and compliant manner and, notwithstanding any provision of this Agreement, the Licensor shall not be obliged to pay any compensation to the other party or otherwise indemnify the other party in respect of any losses or costs which that other party may suffer or incur as a result of such suspension and/or termination.

13 TERM AND TERMINATION

- 13.1 This Agreement shall be deemed to come into effect on the Effective Date and shall continue thereafter subject to the further provisions of this Clause 13.
- 13.2 Unless otherwise terminated, this Agreement shall expire upon the expiration, lapse or invalidation of the last remaining Patent in the Territory.

13.3 Save as otherwise provided in this Agreement, if the Licensee breaches any provision of this Agreement and if such breach (i) is material and incapable of correction; or (ii) is capable of correction but is not corrected within 60 days after receiving written notice with respect to such default, the Licensor shall have the right to terminate this Agreement with immediate effect by giving written notice to the party in default.

13.4 Save as otherwise provided in this Agreement, if the Licensee repeatedly and/or persistently (meaning more than once) breaches this Agreement (whether or not such breaches are material), the Licensor shall have the right to terminate this Agreement with immediate effect by giving written notice to the party in default.

13.5 If:

13.5.1 Licensor becomes aware of an actual or threatened claim that Licensee's use of the Patents in the Territory infringes the intellectual property rights of a Third Party; or

13.5.2 Licensor receives notice from ViiV that ViiV's right to grant licences of the Patents is challenged,

Licensor shall (and ViiV shall be entitled to) notify the Licensee in writing, detailing the nature of such claim or challenge. Licensee shall, within ten (10) Business Days of receipt of such notice, and without prejudice to any of the Licensee's other obligations or liabilities under this Agreement or the Licensor's rights (including without limitation under Clause 13.6), elect to:

- (i) suspend the terms of this Licence in respect of the relevant Patent until such issue is resolved; or
- (ii) confirm in writing that it will indemnify Licensor and ViiV against any Losses (as defined in Clause 15.5) incurred by Licensor and/or ViiV in connection with Licensee's continued use of such Patent pursuant to this Licence.

If Licensee does not so notify Licensor within ten (10) Business Days of Licensor's initial notice, the licence shall be deemed suspended pending resolution of the issue.

13.6 If:

- (a) the Licensee breaches any of the provisions of Clause 8 or Clause 12;
- (b) it is determined that the Licensee's use of the Patents in the Territory or Non-Territory Patents outside of the Territory infringes the intellectual property rights of a Third Party;
- (c) ViiV's right to grant licences of the Patents or Non-Territory Patents expires or is terminated;
- (d) ViiV or Licensor receives a third party claim or demand for royalty payments relating to sales of the Products or Raw Materials by the Licensee, unless the Licensee agrees to satisfy the claim should such a claim or demand become payable;
- (e) the legal or beneficial ownership or control of the Licensee and/or any of its Affiliates changes in such a manner as ViiV shall in its sole discretion consider significant;
- (f) Licensee repeatedly fails to comply with or to timely provide Licensor with any report or statement such as those contained in Clause 11.2 of this Agreement;

the Licensor may terminate this Agreement, either in whole or in relation to a particular Patent with immediate effect by notice in writing to the Licensee.

- 13.7 The provisions of Clauses 13.6(a), 13.6(b) and 13.6(d) are without prejudice to the Licensor's or ViiV's rights to claim all damage and loss suffered by the Licensor, ViiV and/or any of their Affiliates arising out of, or in relation to, the event giving rise to termination. In respect of such damage or loss under Clauses 13.6 (a), 13.6(b) and/or 13.6(d) the Licensee hereby agrees to indemnify the Licensor and ViiV subject to the Licensor and ViiV (each of which shall be entitled to conduct the defence of such claims against them) taking reasonable account of the Licensee's input in the conduct of the claim to which such loss or damage relates. For the avoidance of doubt, the provisions of Clause 29.3 apply to any dispute between the Parties, or between ViiV and the Licensee, in relation to the indemnities given under this Clause 13.7.
- 13.8 Any Party may terminate this Agreement with immediate effect by providing a written termination notice to the other Parties if, at any time, the other Party shall compound or make arrangements with its creditors or be adjudicated bankrupt or have a receiver appointed over all or any part of its assets or go into liquidation (whether voluntary or otherwise) otherwise than as part of a bona fide amalgamation or reconstruction without insolvency or suffer any insolvency event or analogous process under foreign laws.
- 13.9 Any change in the legal or beneficial ownership or control of the Licensee shall be immediately notified in writing to the Licensor and ViiV by the Licensee. For the purposes of this Clause 13.9, "control" shall mean the ability of a person, entity or corporation to ensure, whether through ownership of shares or otherwise, that the affairs of a party are conducted in accordance with the wishes of such person, entity or corporation.
- 13.10 If Licensee fails to file for regulatory approval before at least one Relevant Regulatory Authority (including, but not limited to the WHO pre-qualification programme) within 30 months from the Effective Date in respect to the DTG Compound and within 36 months in respect to at least one of the Products, or fails to respond to Licensor's reasonable request for any subsequent Products, Licensor shall have the right to terminate this Agreement with immediate effect by giving written notice to the Licensee.
- 13.11 If, in the reasonable opinion of the Licensor, the Licensee fails to promote access to the Products in the Territory in accordance with this Agreement, the Licensor shall give notice to the Licensee requiring it cure such failure. If in the opinion of the Licensor, the Licensee fails to report reasonable progress within 180 days after receiving written notice with respect to the default, the Licensor shall have the right to terminate this Agreement with immediate effect by giving written notice to the Licensee. Without limitation to the generality of this Clause 13.11 in exercising its reasonable opinion, the Licensor shall take into account the period within which the relevant authorities provide the necessary approvals as referred to in Clauses 4.2 and 4.3, normal development lead time for the Products, and progress reported by Licensee in its quarterly reports provided under Clause 4.4.
- 13.12 Unless notice to the contrary is given by ViiV, this Agreement shall terminate immediately in the event that the Head Licence is terminated or expires. This Sublicence Agreement shall be converted into a licence between ViiV and the Sublicensee, provided that Sublicensee is not in breach of this Agreement and that ViiV has notified both the Licensor and Licensee of such conversion.
- 13.13 Licensee may terminate this Agreement at any time by providing 30 days written notice to Licensor.

14 RIGHTS AND DUTIES UPON TERMINATION OR EXPIRY

- 14.1 Upon termination or expiry of this Agreement, in accordance with Clauses 13.6(e), 13.8, 13.10, 13.12 and/or 13.13 the Licensee shall immediately notify the Licensor and ViiV of the amount

of Product the Licensee then has available to it and, provided that such amount is, in the opinion of ViiV, reasonable in all the circumstances, the Licensee shall be permitted to sell that amount of Product in the Territory. This provision shall only apply to the extent that such termination would deprive Licensee of legal rights with respect to Product and Raw Materials.

- 14.2 Termination or expiry of this Agreement shall not affect those provisions of this Agreement which are expressed or intended to survive the termination or expiration of this Agreement in particular, but without limitation, Clauses 6, 11, 15.5, 15.6 and 15.7 and the relevant provisions of this Clause 14. In addition, any other provisions required to interpret and enforce the parties' rights and obligations under this Agreement shall also survive, but only to the extent that such survival is required for the full observation and performance of this Agreement by the Parties.
- 14.3 Termination of this Agreement in accordance with the provisions hereof shall not limit remedies which may be otherwise available in law or equity and shall be without prejudice to any rights that any person may have pursuant to this Agreement for antecedent breaches.

15 WARRANTIES AND INDEMNITIES

- 15.1 Each of the Parties warrants that, to the best of its knowledge and belief:
- (a) it has power to execute and deliver this Agreement and to perform its obligations under it and has taken all action necessary to authorise such execution and delivery and the performance of such obligations; and
 - (b) this Agreement constitutes legal, valid and binding obligations of that Party in accordance with its terms.
- 15.2 Nothing in this Agreement shall be construed as a warranty that (a) the information set out in Appendix D or Appendix E accurately reflects the status of ViiV's patents and patent applications relating to the Compound and/or Products, (b) any of the Patents or Non-Territory Patents are valid or enforceable or (c) their exercise does not infringe any patent rights of any Third Parties.
- 15.3 The Licensee acknowledges that, in entering into this Agreement, the Licensee has independently evaluated any information supplied by the Licensor and ViiV (including, but not limited to, such information related to the Products), as well as the viability of this Agreement, before making its decision to enter into this Agreement and to undertake the commitments and obligations set forth herein.
- 15.4 The Licensee acknowledges that the Licensor and ViiV do not in any way endorse the use of any Products sold or manufactured by the Licensee containing the Compound or other active ingredient (including without limitation that used in the Licensed Combination Product), whether as a single compound or in combination with other compounds.
- 15.5 The Licensee hereby agrees to indemnify the Licensor, ViiV, their Affiliates and their respective officers, directors, shareholders, representatives, agents, employees, successors and assigns (each an "**Indemnified Person**") against any and all suits, claims (whether or not successful, compromised or settled), actions, demands, proceedings, judgements, liabilities, expenses and/or losses, including reasonable legal expense and attorneys' fees ("**Losses**"), that arise in connection with (i) the Licensee's breach of this Agreement; or (ii) the Licensee's exercise of its rights pursuant to this Agreement (including for the avoidance of doubt any product liability claim relating to the Products manufactured by or on behalf of Licensee pursuant to this Agreement), provided that the indemnification obligation established in this Clause shall not apply to the extent such Losses arise out of negligence or wilful misconduct by ViiV, their Affiliates and their respective officers, directors, shareholders, representatives, agents,

employees, successors and assigns. ViiV shall, or shall procure that the Indemnified Person shall, provide Licensee with prompt written notice of such claims. Subject to Clauses 9.4 and 13.7, the Indemnified Person and Licensee will agree on the appropriate party to assume control of the defence or negotiation of settlement and will agree to make available all reasonable assistance in defending any claims.

- 15.6 Clause 15.5 may be enforced, by each Indemnified Person against the Licensee under the Contracts (Rights of Third Parties) Act 1999.
- 15.7 Immediately upon the first administration of a Product to a human in accordance with this Agreement, and for a period of ten years after the expiration or earlier termination of this Agreement, the Licensee shall obtain and/or maintain, at its sole cost and expense, product liability insurance in amounts which are reasonable and customary in the pharmaceutical industry of the countries in which the Raw Materials and Products are manufactured, distributed and sold (as relevant), subject always to a minimum limit equivalent to U.S.\$10,000,000 per occurrence (or claim) and in the aggregate annually. Such product liability insurance shall insure against all liability, including product liability, personal liability, physical injury or property damage. The Licensee shall provide written proof of the existence of such insurance to the Licensor and ViiV upon request from either therefor and shall monitor such policy on a monthly basis to ensure that any cover is revised to take account of any currency fluctuations.

16 FORCE MAJEURE

If the performance of any part of this Agreement by any Party, or of any obligation under this Agreement (other than those provisions which in any respect concern the payment under any indemnity or otherwise under this Agreement) is prevented, restricted, interfered with or delayed by reason of any cause beyond the reasonable control of the Party liable to perform (an “**Event of Force Majeure**”), unless conclusive evidence to the contrary is provided, the Party so affected shall, upon giving written notice to the other Party, be excused from such performance to the extent of such prevention, restriction, interference or delay, provided that the affected Party shall use its reasonable endeavours to avoid or remove such causes of non-performance and shall continue performance with the utmost dispatch whenever such causes are removed. If the Event of Force Majeure continues for a period of more than six months, any Party not prevented, restricted, interfered with or delayed or otherwise in terms of performance may terminate this Agreement by providing a written termination notice to the other Party.

17 RIGHT OF SET OFF

- 17.1 All amounts due by the Licensee under this Agreement shall be paid in full in US Dollars or such other currency as may be agreed in full without any set-off or counterclaim and free and clear of all taxes, deductions, withholdings and other charges of whatever nature other than as required by law and the Licensee shall not be entitled to assert any set off or counterclaim in order to justify withholding payment of any such amount in whole or in part.
- 17.2 The Licensor and ViiV shall be entitled at any time, without notice to the Licensee, to set off any liability of the Licensor or ViiV to the Licensee (for example, in connection with the purchase of stock in hand and/or Raw Materials pursuant to Clause 14), against any liability of the Licensee to the Licensor or ViiV and may for such purpose convert or exchange any currency. Any exercise by the Licensor or ViiV of their rights under this Clause 17.2 shall be without prejudice to any other rights or remedies available to the Licensor or ViiV under this Agreement.

18 THIRD PARTY RIGHTS

- 18.1 Except for ViiV and ViiV's Affiliates or as otherwise expressly provided under this Agreement, a person who is not a party to this Agreement shall not have any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement.
- 18.2 ViiV and/or any of its Affiliates have the right under the Contracts (Rights of Third Parties) Act 1999 to enforce and rely on the terms of this Agreement. The Licensee expressly agrees that ViiV or any of their Affiliates shall be entitled to enforce any of the provisions of this Agreement as if they were named as a party to this Agreement in place of the Licensor.
- 18.3 The rights of the Licensor under this Agreement shall be applicable to ViiV to the same extent as for the Licensor and the Licensor shall exercise such rights on behalf of ViiV if so requested by ViiV.

19 SEVERABILITY

- 19.1 In the event that any portion of this Agreement is or is held by any court or tribunal of competent jurisdiction to be illegal, void, unenforceable or ineffective, the remaining portions hereof shall remain in full force and effect.
- 19.2 If any of the terms or provisions of this Agreement are in conflict with any applicable statute or rule of law, then such terms or provisions shall be deemed inoperative to the extent that they may conflict therewith and shall be deemed to be modified to the minimum extent necessary to procure conformity with such statute or rule of law.
- 19.3 In the event that the terms and conditions of this Agreement are materially altered as a result of Clauses 19.1 or 19.2, the Parties and ViiV will seek to renegotiate the terms and conditions of this Agreement to resolve any inequities. If the Parties cannot reach an agreement, they agree to submit their dispute to mediation in accordance with Clause 29.3 of this Agreement. In the event that the dispute remains unresolved, either Party may terminate this Agreement by providing a written termination notice to the other Party.

20 ENTIRE AGREEMENT

- 20.1 This Agreement constitutes the entire agreement between the Parties relating to the subject matter hereof and supersedes all previous writings and understandings between the parties relating to the transactions contemplated by this Agreement.
- 20.2 Subject to Clause 20.3, each Party acknowledges that in entering into this Agreement it has not relied on any representation, warranty, collateral contract or other assurance (except those set out in this Agreement) made by or on behalf of any other party before the date of this Agreement. Each Party waives all rights and remedies which, but for this clause, might otherwise be available to it in respect of any such representation, warranty, collateral contract or other assurance.
- 20.3 Nothing in this Clause 20 limits or excludes any liability for fraud.

21 NOTICES

21.5 Any notice, document or other communication required to be given or served under, or in connection with, this Agreement shall not be validly given if sent by e-mail.

22 ASSIGNMENT AND SUB-CONTRACTING

- 22.1 Neither this Agreement nor any interest arising out of or under this Agreement shall be assignable by the Licensor or the Licensee.
- 22.2 Save as expressly set out in Clauses 2.1, 2.2 or 2.5, and subject to those Clauses, neither the Licensor nor the Licensee shall be entitled to subcontract any of its rights or obligations under this Agreement.

23 NO COMPENSATION

To the extent that such exclusion is permitted by applicable law, no compensation, whether for loss of profit or any other reason whatsoever, shall be payable by any Party arising from any lawful amendment or lawful termination or expiry of this Agreement.

24 COSTS

Each Party shall pay the costs and expenses incurred by it in connection with the entering into of this Agreement.

25 AMENDMENTS

- 25.1 The Parties agree that any amendment of this Agreement shall not be effective unless set out in writing, expressed to amend this Agreement and signed by authorised representatives of: (a) each of the Parties; and (b) ViiV.
- 25.2 Notwithstanding Clause 25.1, the Licensor (pursuant to approval from ViiV and without the Licensee's consent) shall have the right to amend: (a) Appendix D and Appendix E of this Agreement at any time without the Licensee's consent in order to include additional patents in those appendices; (b) Appendices B and C of this Agreement at any time provided such amendment is to expand the scope of the licence granted by this Agreement; (c) Appendix B of this Agreement to remove a country from the Territory where such country has been accepted as an official candidate for membership of the European Union and in Licensor's reasonable opinion there is a risk that the Product will become subject to free movement of goods within the European common market (also known as the European single market). In the event a country becomes part of the European common market, it shall automatically be removed from the Territory. Nothing in this Licence shall be deemed as consent to place the Product on the European common market.

26 WAIVER

The rights of each Party under this Agreement: (a) may be exercised as often as necessary; (b) are cumulative and not exclusive of rights or remedies provided by law; and (c) may be waived only in writing and specifically. Delay in exercising or non-exercise of any such right is not a waiver of that right.

27 NO PARTNERSHIP OR AGENCY

Nothing in this Agreement shall be deemed to constitute a partnership between the Parties (or between either Party and ViiV), nor constitute either Party as the agent of the other Party (or either Party as the agent of ViiV or ViiV as the agent of either Party).

28 EXECUTION IN COUNTERPARTS

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

29 GOVERNING LAW AND JURISDICTION

- 29.1 This Agreement and any non-contractual obligations arising out of or in connection with it shall be governed by English law.
- 29.2 Subject to Clause 29.3, the English courts shall have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to any non-contractual obligations arising out of or in connection with this Agreement) and the parties submit to the exclusive jurisdiction of the English courts.
- 29.3 The Parties agree that in the event of a dispute they shall submit such dispute to mediation in accordance with the WIPO Mediation Rules. In the event that the dispute remains outstanding after 60 days from the date when it was first discussed (in any manner) between the parties, either party may commence court proceedings. The foregoing however shall not prevent any person from seeking and obtaining injunctive relief at any time.
- 29.4 The Parties waive any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any such dispute.
- 29.5 Without prejudice to the foregoing in relation to the Licensee, nothing in this Clause 29 shall prevent or restrict ViiV from electing to bring proceedings in relation to patent infringement or from applying for injunctive relief in any country outside England, to which election the Licensor and the Licensee hereby agree.

IN WITNESS WHEREOF the Parties, through their duly authorised representatives, have executed this Agreement.
