Subject: Termination of the License Agreement dated January 6th, 2022, including amendments executed between us (hereinafter referred to as "the Agreement")

Dear Sir,

1. We refer to the Agreement in which you have appointed us as one of your Licensee, in accordance with the terms and conditions contained therein.
2. Based on our previous discussion and subsequent deliberation, we have firmly concluded that it is necessary to terminate the Agreement. This decision is primarily based on the formal reason of a change in circumstances, wherein uncontrollable factors have arisen, making it impracticable or commercially unviable to proceed with the Agreement.
3. We refer to clause 10.7 of the Agreement, which reads as under-
"Licensee may terminate this Agreement at any time by providing 30 days written notice to MPP. Any termination pursuant to this Section 10.7 by the Licensee will not relieve Licensee of any obligation or liability accrued hereunder prior to such termination or rescind anything done by Licensee or any payment made to MSD hereunder prior to the time such termination becomes effective and such termination will not affect in any manner any rights of MPP arising under this Agreement prior to such termination"
4. Accordingly, we hereby give you notice of termination of the Agreement with effect from 18th May 2023. On and with effect from 17th June 2023, the Parties will be relieved of their respective rights and obligations under the Agreement save such rights and obligation (i) as may be accrued prior to such date, or (ii) survive such date.
5. Please note that the termination of the said Agreement does not affect any products that have already been manufactured and are currently on the market.

Thanking you,

For Natco Pharma Limited

Mr. SVVN Appa Rao
